WAIVER

Ideally, we schedule students to drive in pairs. However, student schedules will sometimes conflict because of extra curricular activities, school and family obligations, transportation, etc., and it is often difficult to schedule two students in the car at the same time. Also, one of the two students may cancel on short notice due to an illness or some other cause. Therefore, it would assist us in scheduling if you will allow us the flexibility to give private lessons to your son/daughter as needed.

PARENTAL PERMISSION

Macomb Driving Academy School Instructors have my permission to give private one-on-one driving lessons to my son/daughter as needed during this education course.
